**DIRECTORS' RESPONSIBILITY FOR, AND APPROVAL OF THE SEPARATE ANNUAL FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2024**

The separate annual financial statements, set out on pages 9 to 33, were prepared by management in conformity with, IFRS Accounting Standards (IFRS), the SAICA Financial Reporting Guides as issued by the Accounting Practices Committee and Financial Reporting Pronouncements as issued by the Financial Reporting Council and the Companies Act of South Africa. They have been approved by the board of directors and have been signed on their behalf by the undermentioned directors.

The directors are required by the Companies Act of South Africa to maintain adequate accounting records and are responsible for the content and integrity of the Separate Annual Financial Statements and related financial information included in this report. It is their responsibility to ensure that the Separate Annual Financial Statements present fairly the state of affairs of the company as at the end of the financial year and the results of its operations and cash flows for the year then ended, in conformity with IFRS Accounting Standards (IFRS), the SAICA Financial Reporting Guides as issued by the Accounting Practices Committee and Financial Reporting Pronouncements as issued by the Financial Reporting Council, and the Companies Act of South Africa.

To fulfil its responsibilities, the board of directors has developed and continues to maintain a system of internal controls. These controls are based on established policies and procedures, are implemented by trained skilled personnel with an appropriate segregation of duties and are closely monitored by the board of directors.

We believe the controls in use are adequate to provide reasonable assurance that assets are safeguarded from loss or unauthorised use and that the financial records may be relied on for preparing the financial statements and maintaining accountability for assets and liabilities.

Nothing has come to the attention of the directors to indicate that any material breakdown in the functioning of these controls, procedures and systems has occurred during the year under review.

After conducting appropriate procedures the directors are satisfied that the company will be a going concern for the foreseeable future and have continued to adopt the going concern basis in preparing the separate annual financial statements.

The board of directors are primarily responsible for the financial affairs of the company. The auditors are responsible for independently auditing and reporting on the company's separate annual financial statements.

The audit committee is comprised of three non-executive directors and meets bi-annually with the auditors. The auditors have free access to this committee.

The separate annual financial statements have been examined by the company's auditors and their report is presented on pages 6 to 8. The auditors are appointed each year based on recommendation by the audit committee.

NU-WORLD HOLDINGS LIMITED

REPORT OF THE DIRECTORS

NATURE OF BUSINESS

The Company is a holding Company listed on the JSE. Its subsidiaries import and export a diversified range of Electrical Appliances, Consumer Electronics and Branded Consumer Durables.

The results and state of affairs of the Company are reflected in the attached financial statements.

SHARE CAPITAL

Authorised share capital

The authorised share capital of the Company comprises 30 000 000 ordinary shares of 1 cent each and 20 000 000 "N" ordinary shares of 0,1 cent each. There were no changes in the authorised share capital during the year under review.

Issued share capital

During the year the Company repurchased 731 756 (2023: 120 924) of its issued share capital.

Unissued share capital

At the forthcoming annual general meeting, members will be asked to place the unissued share capital of the Company under the control of the directors. A resolution for this purpose is included in the notice of the forthcoming annual general meeting.

The Nu-World Share Incentive Trust

The Nu-World Share Incentive Trust ("the trust") was established in March 1993. In terms of the trust deed, the aggregate number of ordinary shares in the capital of the Company, which may be made available for purposes of the trust, shall not exceed 10% of the Company's issued share capital. The trust requires a minimum of two trustees. The current trustees are Messrs J M Judin and F J Davidson. No trustee is a beneficiary of the trust. The trust currently holds 5.2% of the total issued share capital.

DIVIDEND

The Board has resolved on 24 October 2024 to declare a dividend to shareholders of 135,7 cents per share.

DIRECTORS

The composition of the board of directors during the year under review was as follows:

M S Goldberg (Non-executive chairman)

JA Goldberg (Chief executive officer)

G R Hindle

J M Judin

F J Davidson

D Piaray (Resigned 7 February 2024)

R Kinross (Resigned 7 February 2024)

In terms of the Memorandum of Incorporation at least one third of the Directors are required to retire at the forthcoming annual general meeting, but being eligible, offer themselves for re-election.

INDEPENDENT AUDITOR'S REPORT

To the Shareholders of Nu-World Holdings Limited

Report on the Audit of the Separate Financial Statements

OPINION

We have audited the separate financial statements of Nu-World Holdings Limited (the company) set out on pages 9 to 31, which comprise the separate statement of financial position as at 31 August 2024; and the separate statement of profit or loss and other comprehensive income; the separate statement of changes in equity; and the separate statement of cash flows for the year then ended; and notes to the financial statements, including material accounting policy information.

In our opinion, the separate financial statements present fairly, in all material respects, the separate financial position of Nu-World Holdings Limited as at 31 August 2024, and its separate financial performance and separate cash flows for the year then ended, in accordance with IFRS Accounting Standards as issued by the International Accounting Standards Board and the requirements of the Companies Act of South Africa.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company, in accordance with the Independent Regulatory Board for Auditors' Code of Professional Conduct for Registered Auditors (IRBA Code) and other independence requirements applicable to performing audits of financial statements in South Africa. We have fulfilled our other ethical responsibilities, in accordance with the IRBA Code and in accordance with other ethical requirements applicable to performing audits in South Africa. The IRBA Code is consistent with the corresponding sections of the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards). We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion

RSM South Africa Inc. Registration No. 2016/324649/21, Practice No. 900435 is a member of the RSM network and trades as RSM. RSM is the trading name used by the members of the RSM network. Each member of the RSM network is an independent accounting and consulting firm which practices in its own right. The RSM network is not itself a separate legal entity in any jurisdiction.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the separate financial statements of the current period. These matters were addressed in the context of our audit of the separate financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters and we do not have any key audit matters to be communicated in our report.

OTHER INFORMATION

The directors are responsible for the other information. The other information comprises the information included in the document titled "Nu-World Holdings Limited Annual Financial Statements for the year ended 31 August 2024", which includes the Directors' Report as required by the Companies Act of South Africa, and other information included in the annual financial statements. The other information does not include the separate financial statements and our auditor's report thereon.

Our opinion on the separate financial statements does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the separate financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITIES OF THE DIRECTORS FOR THE SEPARATE FINANCIAL STATEMENTS

The directors are responsible for the preparation and fair presentation of the separate financial statements, in accordance with IFRS Accounting Standards as issued by the International Accounting Standards Board and the requirements of the Companies Act of South Africa, and for such internal control as the directors determine is necessary to enable the preparation of separate financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the separate financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE SEPARATE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the separate financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these separate financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the separate financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the separate financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the separate financial statements, including the disclosures, and whether the separate financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the separate financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report, unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

In terms of the IRBA Rule published in Government Gazette Number 39475 dated 4 December 2015, we report that RSM South Africa has been the auditor of Nu-World Holdings Limited for 10 years.

1. BASIS OF PREPARATION AND ACCOUNTING POLICIES

1.1 GENERAL INFORMATION

Nu-World Holdings Limited is a Company incorporated in South Africa.

The address of its registered office is 682, Pretoria Main Road, Wynberg, Sandton, 2199.

The principal business of the Company is a holding company listed on the JSE. Its subsidiaries import and export a diversified range of Electrical Appliances, Consumer Electronics and Branded Consumer Durables.

The separate annual financial statements have been presented in South African Rand, and all amounts have been rounded to the nearest Rand, and were authorised for issue on 21 November 2024.

1.2 STATEMENT OF COMPLIANCE

The separate financial statements have been prepared in accordance with IFRS Accounting Standards (IFRS) and its interpretations adopted by the IASB, the SAICA Financial Reporting Guides as issued by the Accounting Practices Committee and financial pronouncements as issued by the Financial Reporting Council, the JSE Limited's Listing Requirements and the requirements of the Companies Act of South Africa.

1.3 BASIS OF PREPARATION

The separate annual financial statements have been prepared on the historical cost basis, unless stated otherwise.

1.4 ACCOUNTING POLICIES

The separate financial statements incorporate the following material accounting policies, which have been applied consistently to all periods presented in these separate financial statements unless stated otherwise.

1.4.1 Standards, amendments and interpretations effective in 2024

Refer to note 20.

1.4.2 Investments in subsidiaries and associates

Investments in subsidiaries and associates are stated at cost less any accumulated impairment losses.

1.4.3 Financial instruments

IFRS 9 Financial Instrument Accounting Policies

IFRS 9 contains three principal classification categories for financial assets: measured at amortised cost, FVOCI and FVTPL. The classification of financial assets under IFRS 9 is generally based on the business model in which a financial asset is managed and its contractual cash flow characteristics.

1.4.3 Financial instruments (Continued)

Financial assets

The financial assets of the company are all classified and measured at amortised cost.

The company recognises a loss allowance for expected credit losses on all financial assets measured at amortised cost. The amount of expected credit losses is updated at each reporting date to reflect changes in credit risk since initial recognition of the respective assets.

The company measures the loss allowance at an amount equal to lifetime expected credit losses (lifetime ECL) when there has been a significant increase in credit risk since initial recognition. If the credit risk on a loan has not increased significantly since initial recognition, then the loss allowance for that asset is measured at 12 month expected credit losses (12 month ECL).

Lifetime ECL represents the expected credit losses that will result from all possible default events over the expected life of an asset. In contrast, 12 month ECL represents the portion of lifetime ECL that is expected to result from default events on an asset that are possible within 12 months after the reporting date.

In order to assess whether to apply lifetime ECL or 12 month ECL, in other words, whether or not there has been a significant increase in credit risk since initial recognition, the company considers whether there has been a significant increase in the risk of a default occurring since initial recognition rather than at evidence of an asset being credit impaired at the reporting date or of an actual default occurring.

Financial liabilities

The financial liabilities of the company are classified and measured at amortised cost.

1.4.4 Share capital and other reserves

Issued share capital

Issued share capital is stated in the statement of changes in equity at the amount of the proceeds received less directly attributable issue costs.

Treasury shares

Treasury shares represent the shares in Nu-World Holdings Limited that are held by controlled entities. These shares are held at cost and treated as a deduction against Group reserves.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (Continued)
FOR THE YEAR ENDED 31 AUGUST 2024

1.4.5 Foreign currencies

Foreign currency transactions and balances

Transactions in foreign currencies are translated at the rate of exchange ruling on the transaction dates. Profits and losses on settlement of these amounts are included in profit or loss when they arise.

Monetary assets and liabilities denominated in foreign currencies are translated to the functional currency at the rates of exchange ruling at the reporting date. Unrealised differences on monetary assets and liabilities are recognised in the SPLOCI in the period in which they occur, except when they relate to cash flow hedging activities in which case these profits and losses for the effective portion are recognised as other comprehensive income.

Non-monetary items carried at fair value, that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not translated.

1.4.6 Income tax

Income tax expense comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination, or items recognised directly in equity or in OCI.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date.

Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for tax purposes.

Deferred tax assets are recognised for unused tax losses and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (Continued)
FOR THE YEAR ENDED 31 AUGUST 2024

1.4.7 Significant judgements and sources of estimation uncertainty

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Contingencies

By their nature, contingencies will only be resolved when one or more future events occur or fail to occur. The assessment of such contingencies inherently involves an exercise of significant judgement and estimates of the outcome of future events.

Income tax expense

Taxes are a matter of interpretation and subject to changes. The company makes use of tax experts to advise on all tax matters. Estimations of normal company tax and Capital Gains Tax ("CGT") are based on the advice and management's interpretation thereof.

Impairment of investments in subsidiaries

Determining whether the investments in subsidiaries is impaired requires an estimation of the value-in-use of the cash-generating units to which investments has been allocated. The value-in-use calculation requires the directors to estimate the future cash flows expected to arise from the cash-generating unit and a suitable discount rate used in estimating if the investments are impaired.

1.4.8 Income

Interest is recognised in profit or loss using the effective interest rate method.

Dividends are recognised in profit or loss, when the Company's right to receive payment has been established.

1.4.9 Finance income

Finance income comprises interest income calculated using the effective interest rate method. Finance income is recognised in profit or loss in the period in which it is incurred.

1.4.10 Finance costs

Finance costs comprises interest paid and payable on borrowings, calculated using the effective interest rate method. Finance costs are recognised in profit or loss in the period in which they are incurred.

1.4.11 Employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the company has a present legal or constructive obligation to pay.

5. LOANS TO SUBSIDIARIES		
Nu-World Industries Proprietary Limited	82 736 501	73 691 217
Nu-World Global Limited	77 160 739	67 623 023
The above loans are unsecured, interest free, and repayable on demand. The company has determined that expected credit losses would be negligible after having assessed the solvency and liquidity status of the borrower which indicates that the borrower would be in a position to make payment within a relatively short period of time if repayment is demanded in accordance with the terms of the agreement.		
Yale Prima Proprietary Limited	38 301 248	36 802 353
The above loan is unsecured, bears interest at variable rates linked to West Banking Corporation Limited's normal lending rates. R24 794 681 of the loan repayable on demand after 12 months' notice. The remainder is repayable on demand. The current solvency and liquidity status of the counterparty as well as the cash flow projections indicate that the counterparty would be able to settle the loan from cash available and liquidating assets within 12 months of demand. As the loan is bearing interest, interest is earned during the notice period which will be settled at the end of the 12 month period. As such minimal time value of money losses result. Therefore expected credit losses are considered to be immaterial. The loan has been subordinated in favour of the abovementioned Company's banker.

Summary of compensation of key management personnel

The remuneration of directors and other members of key management personnel during the year was as follows:

	2024 R'000	2023 R'000
Short-term benefits	16 262	17 245
Post-employment benefits	1 510	1 579
Other long-term benefits		
Share-based payments		
	17 772	18 824

The remuneration of directors and key executives is determined by the Remuneration Committee having regard to the performance of individuals and market trends.

Executive directors and key management personnel remuneration is paid for by a subsidiary company.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (Continued)
FOR THE YEAR ENDED 31 AUGUST 2024

15. COMMITMENTS

Other commitments

At the reporting date the Group had established letters of credit for the equivalent of R 188 877 504 (2023: R 101 846 197) in respect of future stock commitments.

16. FINANCIAL RISK MANAGEMENT

The company has exposure to the following risks from its use of financial instruments:

- interest rate risk
- foreign currency risk
- credit risk
- liquidity risk

This note presents information about the company's exposure to each of the above risks, the company's objectives, policies and processes for measuring and managing risk and the company's management of capital. Further quantitative disclosures are included throughout these separate financial statements.

The Board of Directors has overall responsibility for the establishment and oversight of the company's risk management framework. The Audit and Risk Committee, is responsible for developing and monitoring the company's risk management policies. The Committee reports regularly to the Board of Directors on its activities.

The company's risk management policies are established to identify and analyse the risks faced by the company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the company's activities. The company, through its training and management standards and procedures, aims to develop a disciplined and constructive controlled environment in which all employees understand their roles and obligations. Management undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the Risk Committee.

16.1 Interest rate risk management

Majority of loans from group companies are interest free. Interest rate risk is mitigated by continuously monitoring interest rate fluctuations on loans with variable interest rates.

The company's exposure to the risk of changes in market interest rates relates primarily to the company's interest-bearing borrowings with variable rates.

	2024 R'000	2023 R'000
At the reporting date the interest rate profile of the Company's interest-bearing financial instrument was:		
Variable-rate instruments	38 301	26 806
Interest rate sensitivity		
An increase/decrease of 100 basis points (2023: 100 basis points) in interest rates at the reporting date would have affected profit before tax, by the amounts shown below. This analysis assumes that all other variables, in particular foreign currency rates, remain constant. The analysis is performed on the same basis for the prior year.		
Increase of 100 basis points		
Decrease in profit before tax	(383)	(268)
Decrease of 100 basis points		
Increase in profit before tax	383	268

The sensitivity analysis disclosed above is unrepresentative of the risk inherent because the year-end exposure does not reflect the exposure during the year.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (Continued)
FOR THE YEAR ENDED 31 AUGUST 2024

16.2 Credit risk management

Potential concentrations of credit risk consist principally of loans receivable.

At 31 August 2024, the company did not consider that any significant concentration of credit risk existed which had not been adequately provided for.

	2024 R	2023 R
Exposure to credit risk		
The carrying amount of financial assets represents the maximum exposure to credit risk.		
Financial assets per class		
Loans receivable	198 198 488	178 116 597
	<u>198 198 488</u>	<u>178 116 597</u>

16.3 Foreign currency management

Foreign currency exposure

Foreign exchange risk arises when individual Group entities enter into transactions denominated in a currency other than their functional currency. The Company's policy is, where possible, to allow entities to settle liabilities denominated in their functional currency using cash generated from their own operations in that currency. When entities have liabilities denominated in a currency other than their functional currency and lack sufficient reserves of that currency to settle them, cash already denominated in that currency will, where possible, be transferred from elsewhere within the Group.

The Company's exposure to foreign currency risk at reporting date was:

Loans receivable	115 461 987	104 425 376
Loans payable	206 719 337	193 720 057

Foreign exchange sensitivity analysis

The Company is primarily exposed to exchange rate fluctuations in relation to the US Dollar. An assessment of the Company's sensitivity to the Rand : Dollar exchange rate shows that should the Rand strengthen by 10% against the Dollar, the Company's profit before tax would decrease by R7,7 million (2023: R6,8 million). A 10% weakening of the Rand versus the Dollar would result in a profit of the same amount.

16.4 Liquidity risk

The company manages liquidity risk by the proper management of working capital and the continual monitoring of forecasts and actual cash flows. It is further managed by ensuring adequate banking facilities are available at all times to meet cash requirements.

Liquidity risk profile

The maturity profile of the financial liabilities is summarised as follows:

0 – 12 months

Non-derivative

Loans payable	280 274 051	267 273 771
Trade and other payables (ex VAT)	42 000	42 000
	<u>280 316 051</u>	<u>267 315 771</u>

16.5 Fair value and risk management

Accounting classifications and fair value

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy. It does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

17. CAPITAL MANAGEMENT

The company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors the return on capital as well as the level of dividends to ordinary shareholders.

From time to time, the company purchases its own shares on the market; the timing of which depends on the market prices. The shares are primarily intended to be used for issuing shares under the Group's share option programme. Buy and sell decisions are made on a specific transaction basis by the Risk Committee. The company does not have a defined share buy-back plan.

18. COMPOSITION OF THE GROUP

18.1 Information about the composition of the Group at the end of the reporting period

19. CONTINGENT LIABILITIES

The Company has signed guarantee's and unlimited suretyships for bank borrowings and other loan facilities on behalf of their wholly owned subsidiary, Nu-World Industries Proprietary Limited in respect of available facilities and R25,6 million (2023: R24,9 million) in respect of bank guarantees.

On 27 March 2018, the South African Revenue Service (SARS) issued revised assessments for Nu-World Global Investments Proprietary Limited, a wholly owned subsidiary of Nu-World Holdings Limited, relating to a dispute on a Royalty Financing transaction for the 2008 to 2012 tax years, resulting in a potential tax liability of R7,6 million and interest, omissions and penalties until 31 August 2024 of R22,1 million.

In addition, on 24 May 2018, SARS issued a revised VAT assessment for Nu-World Industries Proprietary Limited, a wholly owned subsidiary of Nu-World Holdings Limited, relating to a dispute on the zero-rating of a transaction for the 2007/8 tax year, resulting in a potential VAT liability of R4,1 million and interest and penalties until 31 August 2024 of R7,4 million.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (Continued)
FOR THE YEAR ENDED 31 AUGUST 2024

19. CONTINGENT LIABILITIES (Continued)

Nu-World have opposed these revised assessments and submitted Notice of Objections and Notice of Appeals to SARS on the advice of their tax advisors and senior legal counsel, and has requested suspension of payment of these disputed taxes.

20. ACCOUNTING STATEMENTS ISSUED

The Group has considered the following standards and interpretation that are effective:

Standard	Expected Impact	Annual periods beginning on or after
IAS 1 and Practice Statement 2– Presentation of financial statements (Disclosure of accounting policies)	The changes do not affect the recognition and measure but will affect the disclosure of accounting policies	1 January 2023
IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors (Definition of accounting estimates)	Assessed as likely not to have a significant impact on the entity	1 January 2023
IAS 12 – Deferred Tax Related to Assets and Liabilities Arising from a Single Transaction (Amendments to IAS 12)	Assessed as likely not to have a significant impact on the entity	1 January 2023

The Group has considered the following standards and interpretation that are not yet effective:

Standard	Expected Impact	Annual periods beginning on or after
Lack of Exchangeability (Amendments to IAS 21 The Effects of Changes in Foreign Exchange Rates)	Assessed as likely not to have a significant impact on the entity	1 January 2025
Amendments to the Classification and Measurement of Financial Instruments (Amendments to IFRS 9 and IFRS 7)	Assessed as likely not to have a significant impact on the entity	1 January 2026
Annual Improvements to IFRS Accounting Standards – Amendments to: • IFRS 1 First-time Adoption of International Financial Reporting Standards; • IFRS 7 Financial Instruments: Disclosures and its accompanying Guidance on implementing IFRS 7; • IFRS 9 Financial Instruments; • IFRS 10 Consolidated Financial Statements; and • IAS 7 Statement of Cash flows	May result in additional disclosure	1 January 2026
IFRS 18 Presentation and Disclosure in Financial Statements	May result in additional disclosure and changes in the presentation of financial statements	1 January 2027

21. CONSOLIDATED FINANCIAL STATEMENTS

These financial statements represent the separate financial statements of the company. Separate consolidated financial statements will be prepared.
